Old Business: We had a good hamfest.

New Business: Discussion on searching for special events at which the club and its members can volunteer (Relay for Life, BBORR, etc). Nearest POTA locations are Big Spring State Park and Monahans. Could make a picnic out of it for a day.

Possible use of the McDonald Observatory for Field Day, but they aren't receptive as we would need a chaperone overnight, and they want a head count of people attending.

Maybe we could set up a fox hunt. 2 future club meeting topics could include building a 2m Yagi and an attenuator.

Motion to adjourn by George Robertson, seconded by Bruce Hoover.
